We moved to the Portland area from Atlanta in June, 2005. We have lived all over the U.S. being transferred about with the U.S. Navy and later corporate America. My wife and I are enthralled with your channel 9 repeating coverage of the news, weather and sports. It's wonderful to be able to stay up to date on local news, major national coverage, and especially current weather. However, having complemented you on this tremendous public service, we really wish you could update your weekend coverage. At least it would be a welcomed improvement if the weather could be updated both Saturday and Sunday mornings. Maybe you could actually broadcast an update on channel 9 if you can not work it into your channel 8 morning lineup. Keep up the good work.

Mr. Fowler,

Thank you for your note. It's always nice to see what a "proud papa" thinks of a son's fine work. I agree-Kevyn did an outstanding job on this package. As soon as I saw it, I dropped him a note to tell him that the piece left me speechless. Your son has a unique skill in shooting and editing the elements of these touching pieces. We are always open to the idea of these kinds of pieces when the opportunity comes up-and we usually think of Kevyn's name first when we talk about who to assign the work to. You've got a very talented son.

As Kevyn Fowler's Dad, sure I'm prejudiced but his piece a couple of days ago was so moving, I felt I was right there with the families sending their loved ones off to duty.

He captured it all, brought tears to your eyes and made it a real story.

Too bad you can't do more of that type of human interest using a videophotographer who can capture the scene and bring it to everyone.

I've already given Kev an ATTA-BOY as I'm one of his worst critics but when he does something like this, need to let everyone know I much I appreciate it.

Thanks

Subject media sponsor for Maine Handicapped Skiing's 21st Ski-A-Thon in 2006

Hello, David:

My name is Wendy Iseman and I am the Development and Public Relations Director at Maine Handicapped Skiing and also the Coordinator of MHS's annual Ski-A-Thon, Maine's largest one day fundraiser!

Last year was our second best event in a 20-year Ski-A-Thon history with \$286,000 in pledges for the Ski-A-Thon. We hope to top that number in 2006 at our 21st annual Ski-A-Thon!

I was hoping that Channel 8 would be interested in becoming our television media sponsor for 2006. Steve Minich has been our Fun Race announcer at the Ski-A-Thon for years and has also broadcast some outstanding stories about MHS and our terrific participants and volunteers over the years.

We ask that the television media sponsor put together a Public Service Announcement using Mr. Minich as the spokesperson and air the PSA on a regular basis 8-10 weeks prior to the event (Saturday, March 18, 2006). It would be wonderful if Channel 8 put together a team too, helping to support MHS. (Thanks to the businesses Catama Productions and 480 Digital, we have great video footage available of the 2006 Ski-A-Thon that could be used for a PSA)

In thanks for your support the station's logo would be on our event brochure, poster and T-shirt. Your company banner would be displayed at Sunday River Ski Resort, both on the slopes and inside the main ballroom at the Grand Summit Hotel. Steve has, in the past, occasionally said a few words at our evening Awards ceremony and we would be happy to have him or another representative of Channel 8 make a presentation.

The Ski-A-Thon takes place during a very quiet time of year for special events so we were hoping you would consider offering us a media sponsorship this coming year.

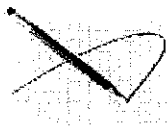

I would be happy to speak with you regarding this sponsorship request. I can be reached at 800-639-7770. Thanks in advance for considering this request.

Sincerely,

Wendy Iseman

April 11, 2006

Mr. Gary Jensen  
ABC 8 WMTW  
477 Congress Street  
Portland, ME 04101

Dear Gary:

On behalf of the Boys & Girls Clubs Board of Directors, Club staff, and especially the youth the Club serves, we acknowledge with thanks the donation of a Portland Sea Dogs Sky Box for 20 people to our 24<sup>th</sup> Annual "Spring for the Kids" Auction held on April 7, 2006.

Your donation plays a significant role in generating auction proceeds which support the programs and services the Clubs provide to more than 2,300 young people in the Greater Portland area. As a result we are then better positioned to carry out our mission: "to inspire and enable all young people, especially those from disadvantaged circumstances, to realize their full potential as productive, responsible and caring citizens."

If you wish to learn more about our organization and the youth we serve, feel free to contact Boys & Girls Clubs of Greater Portland at 874-1069 or visit the Boys & Girls Clubs website at [www.bgcmaine.org](http://www.bgcmaine.org).

Our sincere thanks and appreciation for your continued support!

Sincerely,

Susan Nielsen  
Anne Oliviero  
Wilma Rose

*Thanks so much  
for your continuing  
support*

Subject Fw: Your New Web Site

Thank you for your kind note regarding our new web site redesign!

The new WMTW.COM has been re-built in response to feed back from our viewers, and we appreciate your positive feedback.

As you had asked for in the past, the new site is very video intensive. We have made it easier to see video of the story's from our newscasts in a clearer and easier to use format.

We hope you will enjoy our new video features and continue to use WMTW.COM Maine's only web site  
Where The NEWS Comes First.

Your new web site is excellent. I particularly appreciate the fact that I can now view your video offerings. I had previously e-mailed you to tell you that I couldn't view your videos and it may have been because I use the Mozilla firefox browser rather than Internet Explorer. Thanks for the update and improvement.

Thanks for Veterans Career House Story

MESSAGE:

Thank you to Lisa for her fine work in presenting a balanced and accurate report on our newly opened Veterans Career Home in Biddeford. Her story captured the essence of why TRC and Community Housing of Maine have joined forces to help our homeless Vets who are trying to better their lives. The residents and staff were very happy with her work.

Thanks again.
